Technology Center 2100

Dear Examiner,

This letter is regarding patent application number 09/916, 251, and is response to Office Action dated April 9th 2004.

I have modify the claims in the patent application to overcome both Claim Objections and Claim Rejections. Attached is the claims modification.

To overcome claim objections under 37 CFR 1.75(c), claim number 5, 8, 9, 10, and 11 are amended.

To overcome claim rejections under 35 USC §112, claim number 1 is amended, and claim number 3 and 4 are canceled.

Thanks for your help!

Regards,

Yang Gao
